

Greenlee County Zoning, Building, and Development Permit Application:

1. This application shall be accompanied by payment of \$45 non-refundable fee (check or cash) or the permit will NOT be processed. The County will notify you if additional fees apply.
2. Complete application. Type or print clearly.
3. Submit a scaled map that shows the property location and Assessor's Parcel Number- Google Earth works well or hand draw. Show the location of the project on the map, for instance where will the house or carport be located, your planned access, and utilities location if applicable.
4. An individual listed on the property deed should sign this application. If your name is not on the property deed, then a "**Special Power of Attorney**" is required.
5. The information provided here will be used by the county for issuing a permit; this page is not a permit.

Describe all the work you are planning to do on this property in the next 6 months:

---

---
