All employees of Greenlee County are subject to immediate callout when an emergency, disaster or breach of homeland security occurs. All employees are considered to be available for these types of events and will immediately respond, in accordance with County Emergency Operations Plan, when directed by the Chairman of the Greenlee County Board of Supervisors, County Manager, the Homeland Security/Emergency Management Coordinator, or when directed by his department head/elected official and or immediate supervisor. Such call to respond and assist may involve those activities assigned to these regular job responsibilities and incorporate other non job related duties as necessary and required of an employee to respond to the emergency matter at hand. An employee's response to these matters may require the working of unusual, long hours over a possibility of an extended period of time with infrequent breaks or rest periods. An employee who is working with an accommodation must meet with their supervisor and department head/elected official to discuss their requirement for response.
